Narrative: last night around 0215hrs listed male picked up a blk m between 18-22yo about 6'2" that identified himself as "leshawn" (unknown spelling). comp stated he was very thin build. male asked to go to w.140/lorain in cleveland but when the comp reached w.117/triskett the male told him to turn left. the male then told him to go left on w.112th and pull in the drive of the last house. comp did so and stated he was talking to the male for several mins before the male stated "i got something for you". when the comp turned around the male was holding a gun. the comp grabbed the barrel of the gun and was wrestling with the male before the suspect was able to open the back door and flee the area on foot. comp made a rpt with cpd. comp wanted us aware in case officers have to respond to the residence. several other cab drivers stated they have picked that male up from that residence numerous times and he has never been a problem before. they think he may date a female that lives in the bldg who is a dancer at an unknown location. male will call if he finds out any further info.
